

## PIONEER CROSSING PROJECT DETAILS

- Length: six miles from the I-15 interchange at American Fork Main Street to Redwood Road in Saratoga Springs (approximately 350 North).
- New road will serve the communities of Lehi, American Fork, Saratoga Springs.
- Relieves congestion from Main Street in Lehi (S.R. 73) and provides additional connectivity in area.
- East-West Connector re-named Pioneer Crossing May 19, 2008.
- Four-lane, limited-access roadway with raised median.
- New bridge over Jordan River will be built.
- New interchange at American Fork Main Street over I-15 will be built as part of this project.
- Alignment utilizes land set aside by Lehi City specifically for the road.
- Impacts to wetlands: less than 3.5 acres.
- Project team is coordinating with other area projects.

### FUNDING:

- Current funding for Pioneer Crossing Blvd (Redwood Rd. to 300 E. Lehi): Approximately \$100 million for environmental, design, right-of-way acquisition and construction.
- Funding for I-15 segment (300 E. to I-15): Approximately \$280 million for design, right-of-way acquisition and construction (funds come from I-15 project).
